

# Scholarships for Master's Degree in Mathematics Advanced Training Project in Analysis and Geometry

**Academic year: 2024/2025**

As part of the Advanced Training Project in Analysis and Geometry, the Department of Mathematics at the University of Trento announces 2 biennial scholarships worth €5,500 per year each, to be awarded to students who enroll in the Master's Degree in Mathematics for the academic year 2024/2025.

The scholarships are funded by the International Center for Mathematical Research - C.I.R.M.

The scholarships will be awarded following a selection process that includes a written test, evaluation of academic qualifications, and an oral examination.

**APPLICATION DEADLINE: JULY 30th, 2024**

*The announcement can be found at the website:*
